

ON-LINE BANKING HAS A NEW LOOK BUT WITH THE SAME EASY-TO-USE FEATURES

Here's what is available:

1. Take Me To Option: When logging in to On-Line Banking, you can choose what page you would like to view first.
2. View Accounts: You can choose any account to view first and view transactions. You can also look for a specific transaction by using a date, amount, or check number.
3. Messenger e-Alerts: Set up Messenger e-Alerts to have account information sent to you via email or text message.
4. Bill Pay: You can pay a one-time bill or set up recurring payments. You can add the date you would like your bill to be paid by and add the account you would like to use to pay for the bill.
5. Transfers: You can set up transfers from one account to another. You can set it up as a one-time transfer which would be called Express Transfer or you can set it up as a recurring transfer.
6. eStatements: You can receive, view, print, download and save your own statements.
7. Update Profile:
 - a. Change your on-line password.
 - b. Change your email address.
 - c. Add a nickname to your accounts.
 - d. Sign up for Mobile Banking.
 - e. eStatement Enrollment

8. We also have on-line account forms:
 - a. Address Change – Fill out this form if you are moving permanently or temporarily. We will make sure your new address gets in our records.
 - b. Debit Card Application – We will process your application and send you out a letter on what to expect and when you will be receiving your debit card.
 - c. eStatement Application - We will enroll you for e-Statements immediately and when your next statement is ready to view, you will receive an email alerting you of this
 - d. Ready Reserve Application – Fill out the application and if you qualify for a Ready Reserve, we will set you up with a \$300 credit line.
 - e. Certificate of Deposit Application - These specials give you a little better rate on-line. You can choose an individual or joint account and you can add a beneficiary. You can open a new CD or renew one. Just fill in your information and click submit. We will process your new CD immediately and we will send you a confirmation letter in the mail.
